

PURCHACING POLICY

VISION

At the **MELENOS LINDOS EXCLUSIVE SUITES** we are committed to continuously work acquiring products and services of the highest quality and on promoting sustainable awareness among our suppliers

GOALS

Through our purchasing policy we will:

- Seek, wherever possible, for eco friendly products
- Monitor the performance of our suppliers
- Wherever possible utilize services and acquire products from local businesses.
- Exclusively purchase low energy equipment whenever a replacement is needed
- Ensure highest quality standards when buying products

OBJECTIVES

In order to achieve our goals we will:

- Evaluate the performance of our suppliers on an annual basis in quality and sustainability indicators and take actions for the ones that do not meet our standards.
- Increase to a maximum, the percentage of eco friendly products bought by local businesses and varieties.
- Increase to a maximum, the percentage of products bought by local businesses and varieties.
- Conduct quality controls of all products purchased from our hotels and keep records of any non-compliances.
